FEEBLE BLOOD WORKS H A CVO Gude's Pepto-Mangan Makes Red Blood; Liquid and Tablet Form.

When blood becomes thin and weak it is due to a falling off in the number of red blood cells. It is easily recognized by pallid skin or a blemished complexion, loss of appetite or unnatural irritability and a sensation of weakness. It is not dangerous at first. In fact, many people scarcely notice it and go on for days, thinking they will soon be better the next day.

The great danger is in the possibility of becoming seriously ill from disease, which can work havoc in a body that lacks the endurance and resistance in rich, red blood.

Taken in time and steadily, a few bottles of Gude's Pepto-Mangan are a great help. It improves the quality of the blood by adding red blood cells. They check the weakness, improve the appetite, and clear the complexion.

You can get Gude's Pepto-Mangan in liquid and tablet form at your druggist's. Get the genuine with the name "Gude's Pepto-Mangan" on the package. Advertisement.

A wedding of much interest, as well as a surprise to their wide circle of friends, was that of Miss Nina Smith, daughter of Mr. and Mrs. John M. Smith, of White's Bend, and Mr. Esco Hamlet of this place, which occurred here Saturday, Oct. 22, Rev. K. A. Early, pastor of the local Methodist church, officiating.

Both the bride and groom are of good families, and have a host of friends.

K. A. Early, assisted by T. W. Gwin and son, have just completed repairing and decorating the interior of the local bank. The overhead, which was of plaster, has been removed and a beaver-board ceiling put on. The walls and wood work have been given a new coat of staining.

The work has added much to the appearance of things, even to the looks of the employees, who were real good looking folks to start with.

LYNCH PRESSING THEM HARD.

Revenue officer, H. J. Lynch destroyed a little one-horse distilling outfit about 2 miles north-east of here the latter part of last week. From reports the outfit was very small, and was used for making "home-brew." No arrest were made.

On Monday, Oct. 31, officer Lynch, and deputy sheriff, Gailbreath, of Putnam County and Carr, of Overton, captured a 30 gallons outfit near Hilham, in Overton county, and arrested Shell Dale. 600 gallons of beer was destroyed, and 25 pound of sugar was taken by the officers. Dale was carried to Cookeville and placed in jail, to await a trial.
